- A. Besides myself actually putting a hose on the tanker or seen the chemicals coming out? 2
 - Q. Seen the chemicals that are coming out.
 - A. No.
- Q. Are you aware of any documents, Mr. DeRewal, 5
- that would show that any of the waste that was hauled 6
- 7 from the Ashland facility was disposed of at Boarhead
- 8
- 9 A. Could there be any documents?
- 10 Q. Are you aware of any?
- 11 A. No.
- 12 Q. When you hauled waste for Ashland, did you
- use a DeRewal truck and a DeRewal tanker? 13
- 14 A. Yes.
- 15 Q. What type of tanker did you use to haul
- 16 Ashland waste?
 - A. They were iron tankers, 2,700,
- 18 3,000 gallons. They were used Chemical Leelan tanks.
- 19 Q. And you might have said this earlier, I
- 20 really honestly don't recall. Do you know who
- 21 manufactures the tankers that you used for Ashland's
- 22 waste?

17

2

- 23 A. No, I don't.
- 24 Q. Do you recall using placards or labels on
- the tanker or truck when you hauled waste for Ashland?

Page 408

May 13, 2003

- 1 Q. Now, Mr. DeRewal, I think you testified both 2 yesterday and today, and correct me if I'm wrong, it
- 3 was your business practice to sign a Bill of Lading
- 4 when you hauled waste for a customer? 5
 - A. That's correct.
 - O. And when you talked about a Bill of Lading, that was basically the document that you signed when you picked up the load; is that right?
 - A. That's correct.
- 10 Q. And did you comply with that practice when
- you hauled waste for Ashland? 11
- 12 That's correct.
 - Q. Do you ever recall hauling any waste
- 14 products for Ashland where you didn't have to sign a
- 15 Bill of Lading?
- 16 A. Not that I can recall.
- 17 Q. Do you know where Marvin Jonas was
- 18 headquartered in the time frame been 1972 to 1978?
 - MR. HARRIS: Objection.
- 20 THE WITNESS: To my knowledge it would
- 21 have been Sewell, New Jersey.
- 22 BY MR. DOTO:
- 23 Q. Do you know if he had any acid
- 24 neutralization facility at that site?
- 25 A. I couldn't tell you.

Page 407

- 1 MR. HARRIS: Objection.
 - THE WITNESS: No, we do not.
- 3 BY MR. DOTO:
- 4 Q. When you say "no, we do not", do you mean 5 no, you don't recall or no, you definitely did not use
- 6 any placards or labels?
- 7 A. I'm almost positive we didn't use any
- 8 placards or labels. 9
- Q. Do you know what I'm talking about when I 10 say placards and labels?
- 11 A. Yes.
- Q. Can you just tell me? 12
- 13 A. Corrosive, flammable.
- Q. Yes. 14
- 15 A. Those type of placards.
- 16 And to your recollection you did not use
- 17 them?
- 18 A. No.
- 19 Q. Was it your understanding that you were
- 20 supposed to use them when you hauled that waste?
- 21 A. Probably were, probably were.
- Q. Did you identify anywhere on the truck or on 22
- the tanker that you were hauling Ashland's waste under 23
- contract with AETC? 24
- 25 A. Not that I know of.

Page 409

- Q. But you don't recall taking any Ashland 2 acids yourself there for any acid neutralization?
 - A. No.
- 3 4 Q. Mr. DeRewal, are you aware or do you recall
- 5 which of the DeRewal's drivers actually hauled Ashland
- 6 waste other than yourself?
- 7 A. I would say just about every driver probably
 - pulled out of Ashland. It might have been one or two
- 9 maybe that didn't. The majority did it.
- 10 (EXHIBIT D-17, BILLS OF LADING, ASHLAND
- 11 CHEMICAL, IS MARKED FOR IDENTIFICATION)
- 12 BY MR. DOTO:
- Q. Mr. DeRewal, I've given you what's been 13
- marked D-17, and we're going to go through them, but 14
- 15 I'll represent to you that I used my best efforts to
- 16 pull all of the Bills of Lading for bulk transport that
 - I thought your name was possibly on.
- 17
- 18 There may be some that your name is possibly 19
- not, and that's what we're going to talk about. So if you would, take a few minutes and glance through them
- and I'll take you through them. But I want you to be a
- little bit familiar before I start asking you 22
- 23 questions.
- 24 Mr. DeRewal, you had an opportunity to look
- 25 through them?
